**1. Welcome and Introduction**

10:00am Kara welcomed everyone to the meeting.

Thank you to the town for allowing us to use Zoom/YouTube channels for this meeting.

Round table introductions of CLC Members.

Welcome to the residents viewing on the YouTube live stream. The recorded meeting can be seen here;

No comments or concerns were brought forward about the December 6th meeting.

**2. Community Complaints**

The total number of complaints YE 2024 and YTD 2025 was presented.

Reminder; Complaints that 'Mention Health' are counted when a resident calls with an odour complaint and highlights that they have a health concern. They are not separate complaints received by the plant.

The complaints table and graph now indicates which complaints indicated Cementitious materials and which did not.

**3. Alternative Low Carbon Fuels Update**

St Marys Cement reviewed quantities of fuels used YE in 2024 and highlighted equivalent quantities for frame of reference.

**4. St Marys Cement Major Maintenance Shutdown**

St Marys Cement presented photos and information about the major maintenance shutdown performed on site including safety focus and jobs performed.

**5. Questions Brought Forward in Advance**

None.

## **6. Round Table**

Fred, Rodger, and Rob asked about the potential impact of Tariffs on the facility.

Rodger asked about truck traffic and the impact that ALCF was having on the number of trucks visiting the area.

Kara noted the next meeting will have a focus on reviewing the CLC Terms of Reference.

## **7. Closing Remarks**

The next meeting will be in June 2025.

Upcoming meetings are scheduled for June 13, September 12, and December 12.
